Be inspired and achieve together

11th July 2018

Dear Parents/Carers

With only two weeks left until the end of the academic year normal lessons continue in school up to and including the 25th July. Moreover, we are at the time of year when pupils, especially the younger of our cohort, begin to feel the effects of a long year. Please be aware that we still require a medical note or proof of medical appointment if your child is off with illness otherwise their absence will be marked as unauthorised. If your child is not participating in trips they are expected to be in school as normal.

As always, we greatly appreciate the support that the parents show the Academy in getting their children to school. However, we are also very keen that all pupils take advantage of the learning going on in lessons and continue to make progress until the very last day of the school year.

Thank you

Victoria Oldroyd
Attendance Officer
