Arnold Hill Academy Cadets open session – Year 8

Tuesday 4th July 3:30pm to 4:30pm with a parent QA session after this.

Any interested year 8's please come along and try the cadets out.

What Is The CCF?

There are CCF contingents in over 350 secondary schools all over the UK, offering young people a broad range of challenging, exciting, adventurous and educational activities.

Each CCF is an educational partnership between the school and the Ministry of Defence.

- There is no commitment or expectation on cadets to join the regular Armed Forces when they have completed their schooling.
- The CCF Army sections account for almost half of these figures with a total of over 29,000 cadets and 1,700 supporting Adult Volunteers based at contingents within over 260 schools across the UK and Northern Ireland.

What Is The CCF?

The CCF(Army) aims to promote the qualities of responsibility, self-reliance, resourcefulness and a sense of service to the community.

By joining the CCF (Army) cadets also have the opportunity to get involved with volunteer and charitable work in the community and to gain nationally recognised qualifications such as the Duke of Edinburgh's award and BTECs.

- Activities include drill, skill at arms, shooting, fieldcraft and first aid and up to 40% of a cadet's time is spent on adventurous training activities.
