

Be inspired and achieve together

18th July 2018

Dear Parent/Carer

We have had a really positive year at Arnold Hill with lots going on. Our children have achieved many great things both in and out of the classroom, in academic, sporting and artistic fields. We highlight some of these great achievements in our **Academy Newsletter**, on our website, through Twitter and on our Facebook page. Please do take the time to read about our fantastic pupils and the wide variety of opportunities and activities they have been engaging with this year.

Communication between school and home is vitally important so please make sure we have your **up to date contact details** including email addresses and mobile phone numbers. It is also important that we know of any **health issues** your child has so we can support effectively. If there have been any changes to these details, then please complete the Data Collection form which can be found on our website:

School Uniform this year has much improved. The vast majority of our pupils wear their uniform smartly and with pride. The uniform policy is simple and available on our website. Please do check this before shopping for new school uniform. Just because a shop has certain clothing in a school wear range doesn't mean that it complies with Arnold Hill Academy's uniform requirements.

Arnold Hill Academy is part of the Trent Academies Group.

The registered office is Trent Academies Group, Rushcliffe School, Boundary Road, West Bridgford, Nottingham NG2 7BW
The company's registered number is 8128513

It has been our experience that some pupils get piercings, nail colourings or dye their hair over the Summer. If this is the case for your child, please make sure that when they return to school in September their hair is a natural colour, their nails are clear and piercings are in line with our uniform policy.

Results day for **A Levels** is **Thursday 16th August** in A Hall and for **GCSE** it's **Thursday 23rd August** in A Hall, from 8:00am – 2:00pm on both days. Pupils have worked hard and conducted themselves very well throughout the exam period. I know for pupils and parents/carers alike, exam time and awaiting results can be stressful. We wish all our pupils well and will be here to offer congratulations, support and guidance over results day and beyond.

As always we are very grateful for the continued support parents and carers give the Academy. May I take this opportunity to wish you and your family a very relaxing and happy Summer break.

Yours faithfully

Matt Robertson
